NEW!

ECO-100

TEAK CLEANER POWDER

"The ONLY U.S. EPA recognized teak cleaner!"

Design for the Environment
U.S. EPA
Recognized for Safer Chemistry
www.epa.gov/dfe

ECO-100 Teak Cleaner Powder is a NEW high performance, concentrated teak cleaner. Even though ECO-100 Teak Cleaner Powder contains no acid, caustic sodas and phosphates, it is a very powerful and effective cleaner that cleans and brightens without removing the soft fibers of your teak. It mixes easily in water and is designed to not harm your teak, caulking, hardware or paint. This product has been formulated to be 100% environmentally-friendly and represents the most advanced truly "green" teak cleaner powder in the marine industry today.

- 100% Environmentally safe: Non-toxic
- Concentrated – Dilute with water
- No acid, caustic sodas or phosphates
- Removes mold & mildew stains
- Tough on dirt, gentle on teak
- Economical cleaning solution
- Cleans & brightens
- Meets the Clean Marina Program

Teakdecking Systems ECO-100 Teak Cleaner Powder is the first teak cleaner powder recognized for safer chemistry by the EPA's "Designed for the Environment" program. ECO-100 Teak Cleaner Powder is formulated with the environment and human health strongly in mind and components with a more positive environmental profile than in conventional cleaning products. When you see the DfE label on a product, it means that EPA's scientific review team has evaluated every ingredient for potential human health and environmental effects and allowed only chemicals from the safest in their class – that meet stringent EPA criteria – to be used. DfE-labeled products do not contain known chemicals of potential concern, like carcinogens, reproductive or developmental toxicants – and even minor product components, like dyes and fragrances, are screened for safety.

DIRECTIONS FOR USE

- Mix 4 oz of ECO-100 Teak Cleaner Powder in 1 gallon of fresh water in a suitable container with easy access for your white scrub pad or soft deck brush. Handy 1 oz measuring container is under lid
- Apply ECO-100 Teak Cleaning Powder solution and lightly scrub the teak across the grain, never with the grain. Allow to soak for 10 minutes.
- If applying in direct sunlight, rinse in a timely manner to avoid having the released dirt and solution dry. If surface starts to dry, apply more cleaner.
- When rinsing, lightly brush the deck to help release the deep imbedded dirt. Thoroughly rinse the entire area with water and squeegee off the excess.

See our How to Clean Teak video on our Products page at: **www.teakdecking.com**

FIRST AID:

Keep out of the reach of children. Avoid contact with skin & eyes. Wear suitable protective clothing, gloves and eye/face protection. May cause skin irritation. Harmful if inhaled or swallowed. In case of contact with eyes or skin, rinse immediately with plenty of water for 15 minutes and seek medical attention. If swallowed promptly drink a large quantity of water. **Do NOT induce vomiting**. Seek medical attention. See MSDS for further information.

Warranty: Teak Cleaner Powder will perform as specified when directions are followed. No other warranty is expressed or implied. Liability limited to purchase price only.
